Payment of invoices as rendered by Saputo to the Customer must be made in full without any right or ability to set off. Any claims by the Customer against Saputo must be resolved, independently of the payments authorized herein. The invoice balance will be charged every 14 days, within 10 days of the invoice printing, to the above Visa / MasterCard Credit Card. This authorization will remain in force until revoked in writing by the Customer upon 30 days notice in writing given to Saputo and VISA / MasterCard. Any invoices rendered by Saputo to the Customer prior to the expiration of the notice period will be paid in full by way of charge to my VISA / MasterCard Credit Card.

PLEASE NOTE: Any declined transactions from the credit card company will result in an Automatic Processing Fee, which will be charged to your Dairyland Account. A frequent occurrence of declines may result in your terms being changed to CASH only.
